

HEALING LENTEN SERIES

PARISH MISSION 2019

Please join us as we embark on our Lenten journey to discover the beauty and healing power of our patron, Saint Raphael. One of the seven Archangels who stands before the throne of the Lord, and one of the only three mentioned by name in the Bible.

Our own Monsignor Jon will start us off with our first week. Following weeks to be hosted by Guest speakers; see bulletin for upcoming topics.

“Archangels project the light of the Divine and the energy of unconditional love always.”
